Dear Parents,

Thank you for your interest in Spring Valley School (SVS). SVS provides the tools for my daughter to be successful academically. She is in an environment that is encouraging and uses research based learning. When she arrived, the SVS community welcomed us with open arms.

It excites me to share SVS with others and to welcome new families into our school community. If you would like to speak with a current SVS parent, please do not hesitate to reach out to me.

If you have further questions about the admission process, please email Admissions Coordinator Donell McCurdy at dmcurrey@springvalleyschool.org or call 205-423-8660.

Sincerely,

Holly Kennedy
